

Content Quiz Rubric

This rubric explains the grading structure used for weekly Content Quizzes in this class, describing characteristics of responses for each grade. Be sure to ask me if an element is not clear.

NOTE: In all cases, there is room for organizational creativity. Some groups may choose to use tables, diagrams, or graphic organizers. The form of your answer is not graded, nor is its length.

Name/s:

Date:

Category	4	3	2	Below 2.0	Rating
Responsiveness	❖ All required elements addressed in a full & thorough fashion	❖ Most elements are addressed in a full & thorough fashion	❖ Most elements are addressed superficially	❖ Elements of the question not addressed	
Accuracy	<ul style="list-style-type: none"> ❖ All elements are fully correct. ❖ All reflect a clear, well-explained connection to the assigned reading material 	<ul style="list-style-type: none"> ❖ Elements of the question are partially correct. ❖ Elements connected in a limited way to the assigned reading material 	<ul style="list-style-type: none"> ❖ One element of the question is incorrect. ❖ Text material mentioned, but link to question is not present. 	<ul style="list-style-type: none"> ❖ More than one element is incorrect. ❖ Elements incorrectly connected to the reading material 	
Application	❖ Requested examples demonstrate creative, thoughtful application of text concepts	❖ Examples are taken directly from the text	❖ Examples are incorrect	❖ Requested examples are not present
